I understand that the sport of Horse Riding is a high-risk sport and that my participation in this educational activity may also involve participation in an "equine activity" as defined by applicable laws and is wholly at my own risk. I understand that my participation involves all inherent risks associated with the dangers and conditions which are an integral part of equine activities, including but not limited to, the property of equines to behave in ways which may result in injury, harm or even death to humans and other animals around or near them; the unpredictability of equine reaction to sounds, sudden movements, smells, and unfamiliar objects; persons or other animals; hazards related to the surface and subsurface conditions; collisions with other equines or objects; and, the potential of a participant to act in a negligent or unskilled manner which may contribute to injury to the participants or others, including falling or inability to maintain control over the animal. By participating in this activity I agree to assume responsibility for those risks, and I release and agree to hold harmless, The Northwest Saddlebred Association; Don and Allison Deardorff; Singing Hills Stable, its event organizer, management, staff, trainers, boarders, and students or anyone associated with the facility, liable for any injuries to me or my horse.
